

Go Deep – Go Wide – or Go Home!

AllCom introduced the Genie CashBox the most powerful business opportunity platform for ISOs, Agents, Sub Agents and Merchants. **If you cannot build your business with these tools than you may as well go home!**

Now you can build an organization consisting of ISOs, Agents, Sub Agents and Merchants in which you no longer have to wait for ANYTHING:

1. Merchants can activate their accounts, complete with an online store and shopping cart, anytime 24X7X365.
2. Merchants get paid in real-time when the payment for their sale is processed.
3. ISOs get their commissions in real-time whenever the Merchants in their book of business receive their payment.
4. ISOs can recruit their Agents and Sub Agents and earn commissions on their activity, in real-time, 24X7X365.
5. Agents and Sub Agents get their commissions in real-time whenever the Merchants in their book of business receive their payment.
6. Merchants can help build your book of business in return for great service, and receiving an incentive every time they refer other Merchants to use Genie as their processor.
7. AllCom performs all back office and clearing functions for all participating members in real-time.
8. Each ISO, Agent, Sub Agent and each Merchant get their own customized Genie Gateway with a full virtual office to help run their business, 24X7X365.
- 9. Each ISO, Agent, Sub Agent and each Merchant get their own virtual checking account with the ability to pay themselves anytime, 24X7X365.**

Genie Gateway is AllCom's most forward-looking unified communications and payment processing service to date. **Blending products and services needed to operate a business, traditionally purchased from several vendors, into one seamless global service**, the Genie Gateway is aimed squarely at businesses and individuals who want a fully rounded presence on the internet and by phone, without the cost and complexity of the build-it-yourself approach.

Genie Gateway is an interactive multimedia communications hub, featuring a digital buffet of unified solutions; combining the benefits of having a website

fully accessible from any internet enabled device, with voice, text, video, document messaging, virtual fax, group communications, online store, shopping cart with member-to-member payments online, plus the most robust Virtual Office, as **one unified solution**.

Buyers NO longer need to provide their credit card, or bank account information, to complete their purchase. Repeat customers will ONLY need their cell number, password, and then click on "**Pay**".
